SCHOOL EXPERIENCE

International students will take advantage of their stay in Argentina to discover its rich culture, made of Latin American and European influence, as well as its geographical diversity. Students will be hosted in warm Argentinean host families, wishing to share their everyday life with a foreign student. We place our students in Rosario, an active but safe town, located 300 km away from Buenos Aires, and in private schools, where students will have to wear a uniform. Students enjoy their afternoons or mornings by taking tango classes, Spanish courses or practice sports in various clubs.

SCHOOL SYSTEM

Education in Argentina is divided into three stages : Pre-School education (1 grade, for 5 year - old kids) ; Primary education (7 grades, from 6 to 12 years old children) ; Secondary Education (5 grades, from 13 to 17/18 years old teenagers). At the end of the mandatory Secondary Education cycle, students leave school being awarded the certificate of secondary graduation and are thus ready to enrol for university studies. Secondary school students attend the following mandatory courses: Natural Sciences, Social Sciences, Physical Education, Mathematics, Spanish, Literature, Foreign Language (English), Music, Technology and Economy. However, there are other subjects to take, depending on the school's offer, such as : Technical Drawing, Biology, Physics, Plastic and Visual Education, Chemistry, French, Italian, Latin, etc. School usually lasts from 7:30am until 1.30 or 2pm or from 1pm to 7 or 7.30pm. The academic year starts in early March and goes until mid December.
