SCHOOL EXPERIENCE

International students will be placed in **Perth, Western Australia**. Inhabitants enjoy clean, safe and relaxed lifestyles with abundant space and social activities. Over 40% of Perth residents were born overseas or are the children of migrants, making it one of the most multicultural cities in the world. The schools reflect this **multicultural diversity**, with students of all backgrounds mixing and forming friendships that extend beyond the classroom.

„Kalba.lt“ offers full-fee placements in an outstanding private Catholic co-educational school, where students may also choose specific programs in English learning, Music, Performing Arts, Sports or Practical Arts. We also place students in various local co-educational government schools, which focus on specific fields like Sports, Arts etc. **Parents of international students can choose from dozens of unique schools and locations around Perth.** Gymnasiums, tennis courts and spacious grassed playing fields provide for students' recreational and sporting needs. International students fully participate in the Australian school's life (curriculum, school uniform, compliance with school rules) and are hosted in local host families.

Other major capital cities and regional towns on request.

Please note that on a yearly basis, we offer some places for discounted exchange programs (please contact us).
