### SCHOOL EXPERIENCE

The Saint Paul American School is located on the campus of the Beijing Normal University affiliated No.2 School in Beijing, China. It's a **boarding school** with a brand new library, large classrooms, comfortable dorms, Olympic size gym, swimming pool, cafeteria, labs, plenty of open-space for exercise and other excellent facilities on campus. It will provide students with a clean and safe campus life. Extra-curricular activities and excursions will also be offered.

### SCHOOL SYSTEM

The St Paul American School is a private American high school (grades 7-12). The school introduces an exciting opportunity **to learn the Chinese language, culture and history while attending an American curriculum held in English**. The US High School curriculum is taught by American teachers (English, Arts, Maths, Science, Social Studies, Physical Education, Foreign Languages and Computer); the special Chinese curriculum is provided by our Chinese sister school teachers. After successful studies in this school, students may be able to receive a US High School diploma, while being conversant with 2 cultures – the Chinese and the American one.

### ARRIVAL AND ORIENTATION

Transfer from Beijing airport to the school.  
An orientation is provided on arrival.

### REQUIREMENTS

Students must be interviewed in their home country before being accepted.  
A minimum of 2 years of English study and good academic results are required.  
There is no need for Chinese language background. Specific qualifications are required if the student wants to graduate in the school.

**The school may offer scholarships to eligible students depending on what strengths the student has to offer the school.**
