SCHOOL EXPERIENCE

International students attend regular classes in a local public high school and are hosted in a German host family. The carefully chosen host family opens its home to a student not as a guest, but as a new member of the family. This program allows students to experience the everyday life of German families.

SCHOOL SYSTEM

Secondary education in Germany includes 4 types of schools: the "Gymnasium" prepares students for university studies ; the "Realschule" offers a more scientific emphasis for intermediary students ; the "Hauptschule" prepares pupils for vocational education, and the "Gesamtschule" or comprehensive school combines the 3 approaches. Most of the students will attend the local "Gymnasium" or "Realschule". With classes ranging from year 5 to year 13, the "Gymnasium" is the most difficult school type in Germany ; most of the international students will attend year 10 or 11. Please note that placement is solely up to the school principal. Classes begin at the end of August and finish by the end of June.

ARRIVAL AND ORIENTATION

Transfer from Cologne airport/train station to the host family. Students will have a 2-day orientation in Cologne at the beginning of the program which includes food, accommodation and introduction to the program, the program rules, a city tour, etc.

REQUIREMENTS

Students must be interviewed in their home country before being accepted and are supposed to have an orientation seminar before leaving in order to prepare students for their exchange program. A good academic profile and an intermediate level of German (250 hours of German lessons) are required.
